

Harlequin – Eastwood Theatre for Youth
Cinema Day Trip and Professional Workshop
Project Location: Odeon Cinema, Glasgow

Cost: £2670

– About Harlequin –

Harlequin - Eastwood Theatre for Youth, is one of the leading amateur youth theatre companies in Scotland. It was set up in 1977 and has, for the last 45 years, provided opportunities for young people to be involved in the theatre within the East Renfrewshire area. The club aims to perform three shows per year - one for its junior members (age 9 - S3), one for its senior members (S4 - age 21) and, bringing both sections together, a seasonal pantomime.

What is your project?

To organise a cinema trip allowing for all our members to access professional theatre and enjoy the opportunity to see a show with their friends. This project would likely to view Matilda, a show close to our member's hearts as it was our first show performed following the Covid-19 pandemic.

Additionally, we would organise workshops to provide our young people to delve into the world of theatre, work and engage with professionals to identify pathways into careers and enjoy a creative workshop while developing a range of skills.

Who is the project for?

This project would benefit all our young people within our organisation by enabling them to experience and enjoy a professional production. This project would be beneficial to our membership to promote positive mental health and wellbeing, and further deepen their passion and enthusiasm for theatre and the arts.

Recently we have 26 young people from the community joining our junior membership section. This project would be beneficial for our group to provide new members with the additional opportunities to socialise with fellow members, developing strong relationships and friendships.
